Mad Science
After School Program

FRIDAYS – 8 classes

September 22, 29

October 6, 13, 27

November 3, December 1, 8

12:30pm – 1:30pm

Grades: K – 4

$200 per student

Transformational Science

Race around the sciences in this exciting series of classes. Children will experiment with animal calls and take a trip to the bottom of the sea to see how marine life adapts to harsh conditions. Pop, jump and flip into kinetic energy during Energy Burst, and build your own robotic arm. Everyone will get to Mix It Up during our crazy chemistry class. Each hour-long class is sure to be a blast!
