March 2024

Eddie Quinn Class of 2001

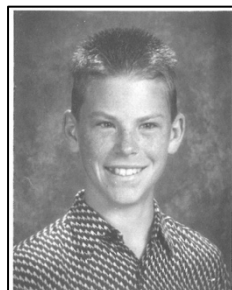

St. Martin Academy was an influential part of my upbringing. I look back at my time at SMA and think about the life-long friendships I formed, the extracurricular activities, including an 8th grade soccer championship, and the educational foundation of Workshop Way that helped form me into the person I am today.

After SMA I attended St. Augustine High School and was a member of the soccer and track and field teams. I thoroughly enjoyed my *Saints Experience* and the relationships I made along the way. However, it was many SMA friends that remained the closest and still do to this day. It was also during high school that I started a part-time job working for the San Diego Padres as a Fan Services Representative. Little did I know that part-time job would lead to an eventual career.

I attended the University of Oregon (Go Ducks) and have extremely fond memories of my time in Eugene. Although significantly larger, the same sense of community I felt at SMA and Saints, I found at the University of Oregon. After graduating in 2009 I started in a full-time capacity with the Padres as an Inside Sales Representative. Over the course of the last 15 years I have worked in the Ticketing and Corporate Partnerships Departments and currently serve as the Vice President of Partnership Services, helping oversee the service, activation and retention of Padres sponsorship partners.

I am blessed to have an amazing wife, Katelyn who I met in high school while she was at OLP. We have two sons, Kip and Tate and a third son due in March to add to the fun. My kids attend parochial school and I take great pride in knowing the values being instilled in them are the same values I was fortunate to have received at SMA.
